DETAILED ACTION

Claim Objections

1. Claims 9, 10, 22, 26, 27 and 35 are objected to because of the following informalities:

Claims 9 and 10, line 3 recite "combination". It is unclear if the applicant is referring to a combination lock or the cabinet-safe combination.

Claim 22, line 2 – delete "at" before "means".

Claims 26 and 28, line 1 – delete "1."

Claim 27, line 1 – delete "25."

Claims 27 and 35 delete the "." before subsection e).

Appropriate correction is required.

Claim Rejections - 35 USC § 112

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claim 12, 15-17, 23 and 30 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 12 recites the limitation "said deposit actuator front wall". There is insufficient antecedent basis for this limitation in the claim. If claim 12 were dependent upon claims 5 or 6 rather than claim 1 the limitation would have antecedent basis.

Claim 15 recites the limitation "the door lock". There is insufficient antecedent basis for this limitation in the claim.

Claim 23 recites the limitation "said deposit actuator front wall". There is insufficient antecedent basis for this limitation in the claim. If claim 23 were dependent upon claim 18 rather than claim 14 the limitation would have antecedent basis.

Claim 30 recites the limitation "said deposit actuator front wall". There is insufficient antecedent basis for this limitation in the claim.

Allowable Subject Matter

4. Claims 9, 10, 22, 26, 27 and 35 would be allowable if rewritten to overcome the claim objections noted above.

5. Claims 12, 15-17, 23 and 30 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

6. Claims 1-8, 11, 13, 14, 18-21, 24, 25, 28, 29 and 31-34 are allowed.
